

Global Advanced Industry Hub

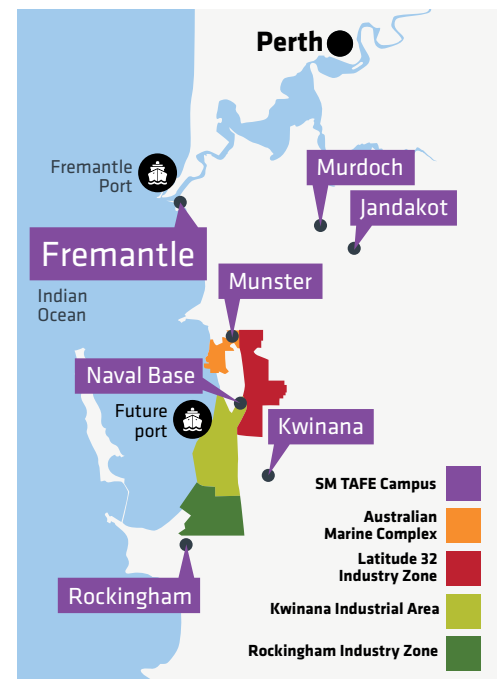

Fremantle Campus in the Hub (2022–2032)

The Global Advanced Industry Hub (GAIH), incorporating the Australian Marine Complex, Kwinana Industrial Area, Rockingham Industry Zone, and Latitude 32 with Orion Industrial Park, is a world-class industrial ecosystem home to a range of globally advanced and competitive industries and an investment and trade destination for new and emerging industries.

South Metropolitan TAFE's Fremantle Campus is strategically positioned to leverage the opportunities from the GAIH and other key partnerships which will unlock further industrial development, technology innovation, education and training, and local jobs.

Our capability

- Specialist campus for maritime, engineering and defence
- Strategically located at Fremantle Port to work with industry
- Future growth is assured with strategic partnerships that will focus on industry, workforce and skills development, and industrial land and infrastructure
- Courses are developed in consultation with industry advisory groups and in response to industry need

Future-proofing WA's skilled workforce

Fremantle Campus houses specialised and modern equipment and facilities including our advanced full mission ship bridge simulator training suite, engineering and seamanship facilities and an aquaculture hatchery.

Keeping pace with new and emerging global industries and supporting key market opportunities, future courses could include:

- Autonomous systems
- Artificial intelligence
- Vessel automation
- Robotics

Jobs on the rise

- Offshore marine engineering
- Mechatronics
- Advanced manufacturing and digital systems
