

Global Advanced Industry Hub Jandakot Campus in the Hub (2022–2032)

The Global Advanced Industry Hub (GAIH), incorporating the Australian Marine Complex, Kwinana Industrial Area, Rockingham Industry Zone, and Latitude 32 with Orion Industrial Park, is a world-class industrial ecosystem home to a range of globally advanced and competitive industries and an investment and trade destination for new and emerging industries.

South Metropolitan TAFE's Jandakot Campus is strategically positioned to leverage the opportunities from the GAIH and other key partnerships which will unlock further industrial development, technology innovation, education and training, and local jobs.

Our capability

- Specialist campus for aviation and aeroskills
- Strategically located close to Jandakot Airport – Western Australia's major general aviation airport and training base
- Future growth is assured with strategic partnerships that will focus on industry, workforce and skills development, and industrial land and infrastructure
- Courses are developed in consultation with industry advisory groups and in response to industry need

Future-proofing WA's skilled workforce

Jandakot Campus houses our specialist aviation and aerospace facilities, complete with a Boeing 737 aircraft and Airbus 320 training simulator.

Keeping pace with new and emerging industries, and supporting key market opportunities, future courses could include:

- Remote piloting and automation
- Air traffic digitalisation
- Aviation cybersecurity
- Artificial intelligence, augmented and virtual reality

Jobs on the rise

- Automated systems
- Drone mechanics
- Remote towers
