

# Global Advanced Industry Hub Kwinana Campus in the Hub (2022–2032)

The Global Advanced Industry Hub (GAIH), incorporating the Australian Marine Complex, Kwinana Industrial Area, Rockingham Industry Zone, and Latitude 32 with Orion Industrial Park, is a world-class industrial ecosystem home to a range of globally advanced and competitive industries and an investment and trade destination for new and emerging industries.

South Metropolitan TAFE's Kwinana Campus is strategically positioned to leverage the opportunities from the GAIH and other key partnerships which will unlock further industrial development, technology innovation, education and training, and local jobs.

## Our capability

- Specialist campus for automotive training
- Strategically located to work with the automotive industry and Kwinana Industries Council
- Future growth is assured with strategic partnerships that will focus on industry, workforce and skills development, and industrial land and infrastructure
- Courses are developed in consultation with industry advisory groups and in response to industry need

## Future-proofing WA's skilled workforce

Kwinana Campus houses our dedicated light automotive training centre, containing specialist automotive repair, diagnostic and air conditioning equipment.

Keeping pace with new and emerging industries, and supporting key market opportunities, future courses could include:

- Automation
- Industrial robotics
- Artificial intelligence
- Simulation modelling
- Industrial Internet of Things (IoT)
- Systems engineering
- Data analytics
- Electric vehicle mechanics

## Jobs on the rise

- Digital engineering
- Cognitive manufacturing
- Automotive electronics
- System modelling and simulation
