

Global Advanced Industry Hub

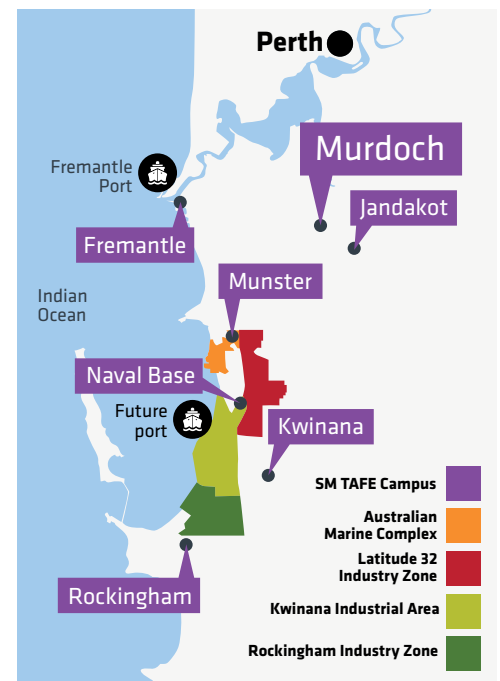

Murdoch Campus in the Hub (2022–2032)

The Global Advanced Industry Hub (GAIH), incorporating the Australian Marine Complex, Kwinana Industrial Area, Rockingham Industry Zone, and Latitude 32 with Orion Industrial Park, is a world-class industrial ecosystem home to a range of globally advanced and competitive industries and an investment and trade destination for new and emerging industries.

South Metropolitan TAFE's Murdoch Campus is strategically positioned to leverage the opportunities from the GAIH and other key partnerships which will unlock further industrial development, technology innovation, education and training, and local jobs.

Our capability

- Multi-industry campus for nursing, child care, creative industries, laboratory operations, horticulture, information technology and fitness
- Strategically located within the Murdoch Health and Knowledge Precinct to work with industry
- Future growth is assured with strategic partnerships that will focus on industry, workforce and skills development, and industrial land and infrastructure
- Courses are developed in consultation with industry advisory groups and in response to industry need

Future-proofing WA's skilled workforce

Murdoch Campus houses our advanced information technology facilities and modern purpose-built Training Cyber Security Operations Centre (TCSOC). The campus also has a dedicated Student Garden Centre, providing specialist facilities for horticulture and floristry - Western Australia's only nationally-accredited floristry qualification.

Keeping pace with new and emerging industries, and supporting key market opportunities, future courses could include:

- Robotic process automation
- Artificial intelligence and augmented reality
- Precision agriculture
- Agdrones
- Internet of Things (IoT)
- Aquaponics
- Ecological survey and monitoring

Jobs on the rise

- Agroecological farming
- Cybersecurity
- Information security analysts
- Cloud computing
- Software development
- Network Administration
- Fitness
