

Global Advanced Industry Hub

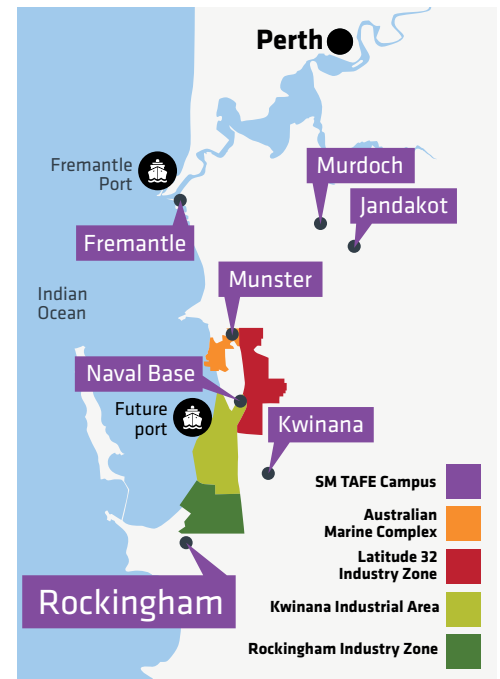

Rockingham Campus in the Hub (2022–2032)

The Global Advanced Industry Hub (GAIH), incorporating the Australian Marine Complex, Kwinana Industrial Area, Rockingham Industry Zone, and Latitude 32 with Orion Industrial Park, is a world-class industrial ecosystem home to a range of globally advanced and competitive industries and an investment and trade destination for new and emerging industries.

South Metropolitan TAFE's Rockingham Campus is strategically positioned to leverage the opportunities from the GAIH and other key partnerships which will unlock further industrial development, technology innovation, education and training, and local jobs.

Our capability

- Specialist multi-industry campus for metals, construction and electrical
- Strategically located to work with defence and shipbuilding industries
- Future growth is assured with strategic partnerships that will focus on industry, workforce and skills development, and industrial land and infrastructure
- Courses are developed in consultation with industry advisory groups and in response to industry need

Future-proofing WA's skilled workforce

Rockingham Campus houses our specialist building and construction facilities and is a satellite campus for our Training Cyber Security Operations Centre (TCSOC).

Keeping pace with new and emerging industries, and supporting key market opportunities, future courses could include:

- Robotics and automation
- Big data, artificial intelligence and predictive analytics
- Prefabrication and offsite construction
- 3D modelling, virtual and augmented reality

Jobs on the rise

- Cybersecurity
- Information security analysts
- Cloud computing
- Data analysis
- Software development
- Network Administration
