

Heavy Automotive

Study area information for apprentices

Dress requirements / PPE when attending TAFE

- Long heavy cotton drill trousers and cotton drill shirt are essential requirements for both the classroom and workshop areas.
- **For welding safety, please make sure your pants cover your safety boots instead of tucking into them.**
- Long sleeved industrial shirts are required for use in the welding bays and workshops.
- Safety steel-capped work boots must always be worn
 - Heavy leather uppers and heavy-duty soles
 - No sand shoe volley type of footwear allowed (even with steel caps)
- Protective eye wear
 - No sunglasses are permitted in the workshop
 - **Safety glasses MUST be clear and meet Australian Safety Standards**
 - Students must supply their own safety glasses.
- Hearing Protection
 - Hearing protection must be worn in designated areas, as per safe operating procedures for using machinery and equipment.
- **Long hair** must be contained in a hair net or beret whilst working with or near rotating machinery, equipment and apparatus or whilst near naked flames.

APPROVED PPE FOR THE AUTOMOTIVE MECHANICAL WORKSHOPS and CLASSROOM

COTTON DRILL CLOTHING

LEATHER STEEL TOED SHOE/BOOTS AND STEEL TOED COMPOSITE BOOTS
(To Australian Standard)
