Course Application Guide for Current Students

This guide will help you apply for a VETDSS course at SM TAFE as a **current student** of SM TAFE. Follow these steps carefully to ensure your application is complete and ready to submit!

What You'll Need Before You Start

Make sure you have the following ready:

- **WA Student Number (WASN)** – This is your 8-digit school ID (ask your VET Coordinator if you're unsure).
- **Unique Student Identifier (USI)** – Get yours at <https://www.usi.gov.au/>
- **Parent/Guardian Contact Info** – Email and mobile number.
- **OLNA Report** – If you've done OLNA, include your results.
- **Your Last Two School Reports** – PDF format preferred. A "C" grade or higher in English and Maths is ideal.
- **Resume, References and Certificates** – Anything that shows your skills or achievements.
- **Student Statement** – Write up to 1000 characters explaining why you want to do the course.
- **Current Year 9 students (applying to study in Year 10):** eligible to apply for Certificate II level courses only.
- **Current Year 10 and Year 11 students (applying to study in Year 11 and/or 12):** eligible to apply for Certificate II, Certificate III, or Certificate IV level courses.

Tech Tips – Getting Set Up to Apply

To ensure your application process goes smoothly:

- Use Google Chrome – it works best with the application portal.
- Use your own device (like a personal laptop or tablet), if possible.
- If you're using a school device, you have two options:
 - Open the [Apply Now](#) link by selecting "Browse as Guest", or
 - Use this alternative Apply Now link: [Apply Now – Link 2](#)
- Make sure your internet connection is stable before starting.
- Have all your documents saved and ready to upload in PDF format.

Upload Everything at Once

You must upload all documents when you apply. Once submitted, you can't go back and edit your application.

School Endorsement

Your school needs to support your application before it goes to the selection panel. Final decisions will be shared with schools in October.

Final Tips

- VETDSS courses are very competitive.
- Include as much supporting evidence as you can.
- Make sure your documents are clear and complete.

Using Your SM TAFE Student ID to Log In

If you are a current SM TAFE student enrolled in courses such as short courses or the Year 9 Taster Program, please have your SM TAFE Student ID and the password you previously set up ready. Then, follow the steps outlined below.

Important: Do not use your SCSA number or any other TAFE number. You must use your SM TAFE Student ID, which starts with 30XXXXXX (an eight-digit ID).

Device and Browser Recommendations

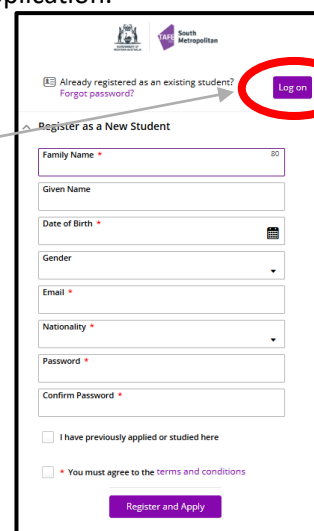

- We recommend using your personal device (not a school device) to complete the application.
- If you are using a school device, open the “Apply Now” link using “Browse as Guest.”
- Google Chrome is the preferred browser for completing your application.

Step 1

Go to the application portal using the following link: [Apply Now](#)

1. Click the “Log On” button.
2. Do not enter any information under “Register as a New Student” — this section is only for students who have never registered with SM TAFE before.

If you already have a SM TAFE Student ID (e.g., 30#####) and password, use those credentials to log in.
