## Course Application Guide for New Students

This guide will help you apply for a VETDSS course at SM TAFE as a **new student**. Follow these steps carefully to make sure your application is complete and ready to go!

### What You'll Need Before You Start

Make sure you have the following ready:

- **WA Student Number (WASN)** – This is your 8-digit school ID (ask your VET Coordinator if you're unsure).
- **Unique Student Identifier (USI)** – Get yours at <https://www.usi.gov.au/>
- **Parent/Guardian Contact Info** – Email and mobile number.
- **OLNA Report** – If you've done OLNA, include your results.
- **Your Last Two School Reports** – PDF format preferred. A "C" grade or higher in English and Maths is ideal.
- **Resume, References and Certificates** – Anything that shows your skills or achievements.
- **Student Statement** – Write up to 1000 characters explaining why you want to do the course.
- **Current Year 9 students (applying to study in Year 10)**: eligible to apply for Certificate II level courses only.
- **Current Year 10 and Year 11 students (applying to study in Year 11 and/or 12)**: eligible to apply for Certificate II, Certificate III, or Certificate IV level courses.

### Tech Tips – Getting Set Up to Apply

To ensure your application process goes smoothly:

- Use Google Chrome – it works best with the application portal.
- Use your own device (like a personal laptop or tablet), if possible.
- If you're using a school device, you have two options:
  - Open the [Apply Now](#) link by selecting "Browse as Guest", or
  - Use this alternative Apply Now link: [Apply Now – Link 2](#)
- Make sure your internet connection is stable before starting.
- Have all your documents saved and ready to upload in PDF format.

### Upload Everything at Once

You must upload all documents when you apply. Once submitted, you can't go back and edit your application.

### School Endorsement

Your school needs to support your application before it goes to the selection panel. Final decisions will be shared with schools in October.

### Final Tips

- VETDSS courses are very competitive.
- Include as much supporting evidence as you can.
- Make sure your documents are clear and complete.

## New Student Registration

This application process is for new students who have never previously attended any SM TAFE program or delivery. You are considered a new student if you have not participated in any of the following:

- Try-a-Trade days
- Year 9 Taster programs
- Any previous SM TAFE course, workshop, or short program
- 

*If you have attended any of the above, you are considered an existing student. Please refer to the Existing Student Application Guide for instructions on how to apply.*
