# **About this Qualification**

The Diploma of Human Resource Management is designed for those who wish to develop their skills and expertise in strategic human resource management and undertake human resource roles across a range of businesses and industries. The course focuses on a range of human resource management functions such as performance development, workforce planning and employee relations.

## **Mode of Delivery**

### **Online Study**

This course will be delivered entirely online, this flexible course allows you to balance your studies with other commitments. A standard study period runs for either 8 or 16 weeks, depending on the unit/cluster being delivered. Study commitment including private study, assignment preparation, and research will be required to successfully complete your course.

Your study will use <u>Student Hub</u>, with access provided to you after enrolment. You will need to have the basic <u>technical requirements</u> for at-home study. If you don't have access to a computer and Wi-Fi at home, we recommend using our <u>library computers</u> during library hours.

# What you need to set up at home:

- Reliable broadband Internet access
- Computer with ability to edit word documents (.docx)
- Computer with ability to edit view adobe PDF files (.pdf)
- Access to video recording device including a camera with the capability to transfer to a computer (e.g. iPhone or similar smartphone, lap top computer or workstation)

The nature of online study can involve a significant investment of time and the ability to be a focused, self-motivated learner. You should consider your personal circumstances and past study history before committing to study online. Find out more in our online study info pack below.

# **General Information**

#### Induction

An online induction session will be held prior to the course commencing. You will be emailed a link prior to the session

Online Induction 28<sup>th</sup> January 2026 – 5:00pm (access link will be sent via email and access will not be available until 15 minutes before the start of the orientation)

# **Study commitment**

SM TAFE study options that are provided for the BSB50320 Diploma of Human Resource Management are based on a self-directed online delivery, to be completed and submitted within an eight (8) week period. Students are required to complete pre-reading, preparation and assessment completion in their own time. The time you would need to allocation to each unit of competency you enroll in would be approximately four (4) hours per week for the period of the course.

# Assessment deadlines

Time management of tasks and submitting assessments on time are essential. All assessments tasks will need to be completed prior to the unit of competency end date. If all assessment tasks have not been submitted by this date you will be required to enroll into the unit again at your own expense. Different units will have various end dates that need to be followed. (i.e. - assessment tasks must be submitted before or on the date they are due).

### **Duration and study modes**

Online Delivery – The course will be delivered so it can be completed within an 18 month period if a student enrols in all available offerings each semester, or over a longer period if not all available units are undertaken each semester. Access to online "drop in" sessions and 15 minute appointments to meet up with your lecturer will be made available during the dates and times outlined below. The sessions are optional and will provide an opportunity to access support and ask questions about your studies, the sessions will be available once a fortnight. Each student will be required to attend a short one-on-one meeting with the lecturer to establish student authenticity and identification, each student will be contacted to arrange a suitable meeting time.

Students may be eligible to obtain credits for individual units of competency as a result of previous experience gained in employment, training or education. For further information please visit the Recognition of Prior Learning page.
